Dear Resident

Re: Glamis Estate – CADENT GAS SURVEYS for Individual Heating

Glamis Estate (East): 101-615 Roslin House, 1-20 Elf Row, 21-24 Elf Row, 450-504 Cable Street, 448 & 450A Cable Street.

Glamis Estate (West): 1-47 Glamis Road (odd), 13-28 Redcastle Close, 1–65 Tarbert Walk, 294–430 Cable Street (Evens)

You may recall previous newsletters advising of the need for Cadent Gas to undertake surveys to determine the existing gas network capacity and the required upgrading works to enable individual heating systems in all estate dwellings.

Cadent Gas have now appointed design engineers from **Fingleton White**, and their engineers will be on site from **Monday 21st September 2026 until Wednesday 23rd September 2026** to undertake dwelling and estate surveys. They estimate each dwelling survey will take 15 minutes.

You can make your Morning (AM) or Afternoon (PM) half-day appointment slot by either of the methods below;
i. QR Code (left): scan the QR code with your smartphone device to take you to the appointment booking page.
ii. Contact the EEH Customer Service team Tel; 020 751 74700.
iii. Email GlamisHeatingRenewal@eastendhomes.net in which case *please title your email “**Cadent Survey Appointment**” in the email subject line heading.*

Your assistance in achieving this crucial task to enable project progression will be much appreciated. A newsletter providing a project update will follow shortly.

Kind Regards

Major Works Team
